

SETTLEMENT RECOVERY

HELPING HOSPITALS RECOVER FUNDS

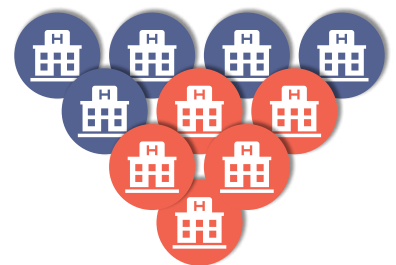

MCAG's Settlement Recovery Service helps over 1,400 hospitals recover funds from class action settlements. We identify settled cases applicable to our clients, bring these to our clients' attention, assess the opportunity, determine if a response is required, and ensure the best possible outcomes. MCAG minimizes the administrative burden by facilitating all inquiries. Our team is always available to discuss current, past and future settlements, and what they might mean for your business.

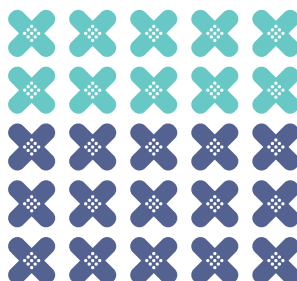

Over \$200 Million dollars have been recovered by MCAG for healthcare organizations.

5 out of 10 of the largest for profit health systems utilize MCAG as their Settlement Recovery Expert.
